

Ribbon Count

Regular – minimum of 40-50 ribbons are needed.

Large – minimum of 60-70 ribbons are needed.

These are approximate counts. If you have less than this, just call or email me and I'm sure I can make a beautiful piece for you! Each person's ribbon collection is different. If there are quite a few longer streamers (ex: champions/reserves), then fewer ribbons are needed. If you have mostly class ribbons, then more are needed. The more ribbons you send, the more I can just use the printed streamers, thus using more "memory" pieces. The fewer ribbons, the more I will have to use the solid ribbons. Either way makes for a beautiful quilt!

If you think you have more than needed, please send them. All unused ribbons are returned.

Colors

My design works best with a minimum of four colors. First place through fourth look great – blue, red, yellow & white. If you have other colors you want included that's fine! Some of your best memories can be from a sixth place! If you have plenty of top placings don't send the lower ones unless they are of particular importance and need to be included.

If you have especially important ribbons that you want used in the quilt, please bag them separately in the box and label it.

Turnaround Time

The quilt "gets in line" when the ribbons arrive at my house, so I make the quilts in the order that they arrive. On average they take about 2-3 weeks from when I start them. Some are bigger projects and take a while and some fall together much more quickly. I do try to get them out as quickly as possible.

Shipping

You do not have to iron the ribbons before you ship them to me; however, I do appreciate it if the ribbons are shipped free of dust and cobwebs. I iron them but do not clean them.

Please pack your ribbons in a sturdy box and tape it well! Be sure to include your NAME, ADDRESS, PHONE, and EMAIL (with payment) IN THE BOX! This is VERY IMPORTANT and often forgotten!

You can ship via any method you prefer although please DO NOT ship them with a signature required. I may not be home when deliveries are made; however, there is a secured, covered porch to keep your box protected.

Payment

Please be sure to include the cost of the quilt AND return shipping (\$30) in your check. Personal check or money order are best, made out to:
